Hello Trader,

To start trading on Margex, you need funds in your Margex wallet. You transfer crypto to your Margex Wallet.

Make a Deposit

Here's how to make a deposit:

1. Go to the "Wallet" page
2. Select the currency you want to deposit
3. Click the "Deposit" button
4. Copy the wallet address or scan the QR code
5. Make a transfer to your unique Margex address
6. Done! The deposit is made and you can start trading!

Make a Deposit

If you still have questions, you can find more information about making a deposit in our [Trading Guide on the "How to Make a Deposit" page](#) or contact our live chat support team.

We wish you successful trading 💰

Best regards,
Margex Team
